BEADS MARACAS

DIY INSTRUMENT

MARACAS

NEEDED MATERIALS:

- beads (can be even mustard, pepper, beans, rice, etc)
- colourful, decorative tape, carioca, paint
- scissor
- glue
- 2 plastic/wooden spoons
- Recipients that can be closed (Kinder surprise eggs, 2 deeper caps, tubes, etc.)

Fill the recipient up to 1/3-1/2 with beads. The smaller the container, the smaller the beads should be

Close it and check the sound by shaking it. Tape it or secure it with glue

If the recipient is of small round dimensions, you can "grab" it with 2 plastic spoons that will be the handler. Secure them with tape

That's it!

MARACAS

RUBBER BAND BANJO

DIY INSTRUMENT

BANJO

NEEDED MATERIALS:

- colourful, decorative tape, carioca, paint
- scissor
- glue
- 1 jar lid
- 3 rubber bands
- 1 wooden stick

Colour or design the stick as you wish

Pass over the lid the 3 rubber bands – depending on the size, you may need to overpass it 2 times

Glue them to the lid

Attach the wooden stick and fix it with glue

That's it!

BAMJO

WOODEN STICK HARMONICA

DIY INSTRUMENT

HARMONICA

NEEDED MATERIALS:

- 2 wooden sticks, of the same length
- colourful, decorative tape, carioca, paint
- paper
- pencil
- scissor
- 2 rubber bands
- 2 match sticks or toothpicks

Make the outline of 1 of the sticks on the paper and cut it out

Place the paper in between the 2 sticks

Tie together the sticks
with a rubber band

Break the matchstick and place it in
between the sticks, towards one of their
ends. Repeat this for the other end

That's it!

HARMONICA

BALLOON JAR DRUMS

DIY INSTRUMENT DRUMS

NEEDED MATERIALS:

- clean jars, cans
- balloons of different sizes
- colourful, decorative tape, carioca, paint
- scissor
- 2 sticks or pencils (beating sticks)

Decorate the jar or the can as you like

Take 1 balloon and cut its throat away

Place the balloon on the jar and adjust it to it

Take the pencils and beat the drum.
That's it!

DRUMS

METAL CAPS CASTANETS

DIY INSTRUMENT

CASTANETS

NEEDED MATERIALS:

- cardboard
- pencil
- ruler
- scissor
- colourful, decorative tape, cariooca, paint
- glue gun
- 2 metal bottle caps

Measure and draw an approx. 3x14 cm rectangular on the cardboard

Cut it out

Fold it in two, at its middle point.
Decorate it as you wish

Glue the bottle caps so the outside parts can touch themselves while being overlapped

That's it!

GASTANETS
